All proceeds benefit scholarships and local
non-profit organizations.

Purpose of the Organization:

The Green Bay Innovation Group (GBIG) is a business-to-business consortium of enterprises working in the paper, packaging, printing, converting and related industries who collaborate to drive the industry forward and advance the region as the world's heart of innovation.

Any revenue earned at Swing Big With GBIG will be given right back to the community. This four-person golf scramble raises funds to support local food pantries and nonprofit organizations. Join us for a day of golf and camaraderie for a good cause.
