Stronger Than Cardboard. Lighter Than Wood.

For over 85 years, Dura-Fibre has been manufacturing heavy-duty, attractive, and money-saving laminated paperboard products — including Packaging, Sheets, Book Binding Board, Paperboard Substrates, and Specialty Products. We accommodate a caliper range from .008"–.500" up to 96" wide.

PAPERBOARD PACKAGING

Unique paperboard solutions for protection, presentation and profit improvement:

Paperboard Crates

Tougher than cardboard, lighter than wood

Paperboard Wraps

Widest range of options such as stapled for strength

Paperboard Strap Protectors

Superior machine grade protection

Paperboard Covers
Foam and widest range of paperboard options

PAPERBOARD SHEETS

Leading shipping and protection solutions for your products:

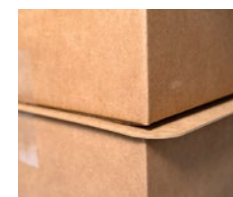

Push-Pull Sheets

Replace wood pallets to save money and space

Slip Sheets

Wood pallets are a relic of the past

Tier Sheets

Stacking products for stability

Pallet Sheets

Protect against damage done by wood pallets
